

# Rosie Birchall

Hello! I'm Rosie Birchall, I'm a second year PPEist and I would love to be your Ball Secretary. It would be such an achievement to be involved in the team that delivered a successful ball, and I would like to help create a memorable event that all Mertonians can be proud of and enjoy!

## What I can offer:

- **Organisation**— I have experience of working as a personal assistant in a museum, including taking minutes, record keeping and helping market a new exhibition. I am a naturally organised person and I would really enjoy the organisational side of the role.
- **Team Work**— I have regularly worked as a part of a team and have good interpersonal skills. I am Peer Support trained which could help me deal with any conflicts that arise. I would be happy to work with anybody to create a brilliant ball.
- **Enthusiasm** — I really want the ball to be a success and would work hard to make sure it lives up to everyone's expectations!
- **Experience**— I was part of the team that organised our Sixth Form Leavers' Ball. In addition I helped to plan and run a local youth group. These skills would help me to assist the Chair in giving clear leadership and direction to the committee.

## My Promises

- I want to create a ball that reflects the wishes of Merton students! I would appoint a diverse committee to allow as many Mertonians as possible to be represented.
- I'll arrange regular meetings with the committee in order to ensure that deadlines are met, responsibilities are fulfilled and all major decisions are approved by the whole committee.
- I will give detailed feedback at JCR meetings about how preparations for the ball are progressing.
- I will be diligent, efficient and enthusiastic in working to make sure every Mertonian has an unforgettable night!
