

Thomas Carlucci-Davies for JCR Treasurer

Hello, I'm Tom, studying PPE in my first year at Merton, and I'm hoping you'll choose me to be your JCR Treasurer next year. I'm very interested in JCR issues and would greatly appreciate the opportunity to take a more direct role in the future.

As Treasurer I would remain dedicated and motivated in ensuring the careful management of JCR finances throughout my tenure, and I believe that I possess the skills necessary to perform well in fulfilling the various responsibilities encompassed by the role.

My experience in an administrative capacity provides me with the understanding required to carry out Treasury business with both suitable efficiency and poise, and my concern for the wellbeing of students guarantees an honest and reliable approach. I would thus encourage your endorsement of my candidacy.

Pledges:

- Kitchen provision: With sharp increases in the accommodation rates at Merton coming into force next term there will be increasing concern about the value for money provided by the college and its facilities. One significant problem in this regard is the state of kitchen provision, for 1st years and finalists in particular. I would work hard to negotiate with college authorities for improvements in this area.
- Exec Open Hour: I would hope to establish this as a regular event to take place on weeks when there is no JCR meeting. It would be an opportunity for any Mertonian to drop by the JCR to discuss any issue or query they may have in relation to JCR life in a relaxed setting. I believe this would also serve an important role in promoting a good level of understanding between the Exec and the wider college community.
- Transparency: As well as ensuring that the Budget is ready and available for the beginning of next term I hope to produce a termly report detailing spending for the previous term, highlighting any matters of interest, and including the projected budget for the next term, adjusted accordingly.
- And many more.....

Vote Thomas Carlucci-Davies for JCR Treasurer
