

ALICE SALVAGE FOR VICE-PRESIDENT

Hi, I'm Alice and I'm a first-year Ancient & Modern Historian. I'd love to be your next VP and these are some of the reasons why I think I'd be great at the job!

LOOKING BACKWARDS:

- ❖ As my school's Deputy Head Girl and Editor of the school magazine, I gained the following experience:
 - liaising with staff;
 - working in time-pressured situations and to tight deadlines;
 - co-ordinating large teams;
 - working within a committee;
 - assisting with large events such as Open Days.
- ❖ As Neave Society Vice-President and Music Society Publicity Officer, I am involved in a variety of aspects of college life.
- ❖ As Admiral of the Fleet, I have gained experience of working within the JCR Committee, dealing with issues on the spur of the moment and liaising with college staff and the MCR.
- ❖ I have enjoyed representing the college on Access visits.

LOOKING FORWARDS:

- ❖ As a historian, I won't have exams to distract me from the job.
- ❖ I will try to raise involvement at JCR meetings by:
 - advertising meetings and motion deadlines;
 - raising understanding of the constitution, standing orders and the way the JCR works, and therefore how important meetings are;
 - ensuring people know what various motions actually mean.
- ❖ I would like to improve links between the JCR and the MCR, as well as with other colleges.
- ❖ I will ensure that people know exactly what they are paying for on their battels e.g. how they are charged for electricity.
- ❖ I will ensure that interviews run smoothly and are (relatively!) enjoyable for everyone.
